THE FFA VISION

Students whose lives are impacted by FFA and agricultural education will achieve academic and personal growth, strengthen American agriculture and provide leadership to build healthy local communities, a strong nation and a sustainable world.

THE FFA MISSION

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

THE AGRICULTURAL EDUCATION MISSION

Agricultural education prepares students for successful careers and a lifetime of informed choices in global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.

FFA Alumni Life Membership

*Growing Leaders, Building Communities,
Strengthening Agriculture*

Anyone wanting to support FFA, agricultural education and agriculture is welcome to join the National FFA Alumni Association. Parents, friends, supporters, past FFA members and others can also become FFA Alumni Life Members.

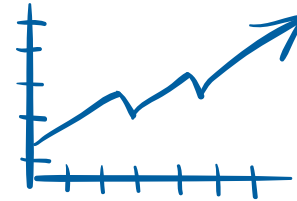

FFA advisors and members across the country rely on FFA Alumni to help support their chapters through the gifts of time, talents, and resources. Give back starting at the local level so that teachers have more time and freedom to do what they do best—teach students.
